Did You Know...

- UBC employees can access and view job and personal information in Workday, any time online.

**View summary of employment details**, including business title, FTE, hire date and length of service.

**View specific information relating to your job**, compensation, benefits, pay, time off and recruitment opportunities.

**Update benefits enrolment**, including changes to your dependents and beneficiaries.

**Update tax forms**, banking details and other personal information.

---

People & Change: Thomas lead

**Frymas-Thomas**, a Business Analyst at UBC, is responsible for the UBC Employees' Pension Plan (UEPP). As the UEPP is a defined benefit plan, Frymas-Thomas manages the investment and administration aspects of the plan. They are also responsible for communicating changes to the plan to employees and ensuring that the plan is compliant with regulations.

**Call for feedback**

UBC employees are encouraged to provide feedback on the implementation of new systems as well as the overall experience of working with Frymas-Thomas. This feedback is crucial for the continued improvement of the UEPP and the overall employee experience.

**Welcome to Workday 10!**

An introduction to Workday, the Human Capital Management (HCM) software used by UBC to manage employee information.

---

**What is Workday?**

Workday is a cloud-based software platform that allows UBC to manage employee information, including compensation, benefits, time off and recruitment opportunities. It is used to provide a more efficient and streamlined process for managing employee information.

---

**UWP and SPF**

UWP and SPF are the university and college campuses within UBC, respectively. These campuses work closely with Workday to implement and manage the software for their employees.

---

**Professional Development**

Professional Development is an essential aspect of Workday implementation and is crucial for ensuring that UBC employees have the knowledge and skills needed to effectively use the software.
